Hi Joe and Vicki -

Who from RAP is the main point of contact for Runyon? I have a question about the bulletin board at the Fuller gate.

Thanks!

Catherine

We've been hearing negative feedback re: the fact the bulletin board is now behind glass, people can't post lost keys or notices for lost dogs, etc. (some people feel it was a community resource that was taken away...). I've also reached out to FORC.

No I have not. I remember the board always being behind locked glass doors. Before FORC was created, I worked with constituent Dietrich Nelson on making simple repairs to the board, including installing small locks on the glass doors. Anyway, there are some options that can be done such as replacing with sliding plexi-glass doors that do not have locks, this would make it available for all to post messages, etc...but we probably should check with FORC before we do anything.
